

Royal Life Saving - Aquatic Academy Denistone East

Aqua Program Timetable 2024

Learning to swim is an incredibly rewarding and enjoyable experience. Part of the learning process is practicing the skills taught in lessons to retain and then build on, getting better every time you are in the water. We recognise the need to practice and offer fantastic additional opportunities to access our water every day! Try one of these programs and see the improvements immediately!

Aqua Laps:

For our more experienced lap swimmers, come and increase your swimming fitness in a quiet pool. The sessions are more than 1 hour in length so increase your swimming fitness skills today. Not for beginners.

2. You will then be provided with a wrist band, which need to be worn at all times.
3. Children under 6 years of age or non swimmers will be provided with a Keep Watch Yellow Wristband to comply with the Keep Watch Policy and a Parent is required in the water with the swimmer.
4. Any non-members will be asked to pay \$3.50.
5. Patrons must comply with Keep Watch Policy.

Keep Watch Policy:

	0-5 YEAR OLDS & NON-SWIMMERS: Stay within arms' reach
	6-10 YEAR OLDS & WEAK SWIMMERS: Be close, be prepared & maintain constant visual contact
	11-14 YEAR OLDS: Maintain visual contact

What is Active Supervision?

Active supervision at public pools consists of four key elements:

Be Prepared: Ensure you have everything you need before getting into the water, such as towels and dry clothes.

Be Close: Always be within arms' reach of your child.

All of Your Attention: Focus all of your attention on your child and get into the pool and talk and play with them.

All of the Time: You should never leave your child alone in the water, nor should they be left in the care of an older child or with the assumption that your responsibility diminishes due to the presence of lifeguards.
