## Welcome to the Denistone East Aquatic Academy August Newsletter!

See the latest information, tips and tricks for a fantastic month of swimming ahead!

### Swimmer Spotlight

When Jennie first began swimming lessons, she was quite timid in the aquatic environment. However, her determination and consistent attendance each week have truly paid off. Through hard work and perseverance, Jennie progressed into our Stingray level in June - an impressive achievement at just 7 years old. She now arrives at each lesson with a big smile, and we're confident she'll continue to make great strides in her swimming journey.

### Venue Information

#### Timber Beam Rectification Works

Over the next few months, we will be undertaking some upgrades to our timber support beams at the front of our facility. During this time there may be obstructions to the entrance of the facility. We ask that you please follow signage and enter through the side door when directed to do so. Thank you for your understanding.
