

# ACADEMY NEWS

Welcome to the Seven Hills Aquatic Academy  
August Newsletter!

See the latest information, tips and tricks for a  
fantastic month of swimming ahead!

## Swimmer Spotlight

Lara has moved through the  
Preschool Program  
in two months!

Starting with Turtle, progressing  
through Jellyfish and Penguin and  
is now an Otter.

Lara is very enthusiastic and is  
always a great listener.  
Well done!

Keep on Swimming Lara.

## Venue Information

### Viewing room works:

We will be undertaking some upgrades to the viewing area!!

This will involve the addition of a third window and some additional seating to enhance the space and provide some more room to our growing community. During this time there will be some disruption to this area, but we are looking forward to enjoying the finish product!

This is due to take place from 6<sup>th</sup> August.

### Re-grouting in the showers:

Over the next month, we will be undertaking some maintenance to the bathrooms around the venue, first up being the re-grouting of the showers. During this time we will expect some delays to the area as we allow for the grout to dry. We hope you can work with us during this time as we work to enhance these spaces.

### Tiling in the Training Pool:

After an unfortunate delay in rectifying the falling tiles in the Training Pool, works have taken place over the last couple of weeks to correct the issue.

The tiles have now been replace and the pool is looking better than ever! We thank you for your patience during this time.

## Happy Retirement Steve!

One of our very much loved staff members Steve, recently started his retirement. Steve has worked with the Aquatic Academy for 5 years and looked after the Operations for both of our venues. He was an invaluable member of staff, helping to make our venues as safe as they can be and he will be greatly missed! Thank you for all of the early mornings and hard work over the years Steve. Enjoy your retirement!

## Teacher Bio

Deb starting working at the academy in October 2015 she has taught Preschool, infants Adults and Learn To Swim. Her Favorite swim stroke is dolphin kick and she loves spending time with her family. When she is not working here she is a Learning Support Officer in a High School.
