

ACADEMY NEWS

Welcome to the Denistone East Aquatic Academy September Newsletter!

See the latest information, tips and tricks for a fantastic month of swimming ahead!

Venue Information

Great News!

We were successful with our application for the Community Building Grant within Ryde Council for \$10,000. Our aim for this grant was to improve access and egress into our pool allowing safer access for all members of our community. This centre was built with the purpose of Learn to Swim in mind, however since opening we have found the centre and our community has a lot more diverse need for it. We believe the use of this grant will assist all of our customers to better use our pool.

Teacher Bio

Meet Giulia, one of our dedicated and passionate swim teachers!

Originally from Italy, Giulia brings valuable lifeguarding experience to our team, having worked in the role back home before joining us six months ago.

She currently teaches swimming on Wednesday's and Saturday's and you'll also find her keeping everyone safe as a lifeguard on Sundays.

Giulia is always the first to volunteer when help is needed.

We're lucky to have her as part of our swim family

Swimmer Spotlight

Darragh has made impressive strides in her swimming recently. Over the past few weeks, her dedication and hard work have been clearly reflected in her progress, particularly in her backstroke technique, which has shown significant improvement. Her focus during training and consistent effort have truly set her apart, and she continues to develop into a strong, confident swimmer. Well done!

iClass Pro Reminder

Here at the Aquatic Academy, we utilise the iClass Pro app to assist all customers with all of their swimming lesson needs.

By using the app you can plan your absence, check assessment evaluations, make a payment, book a makeup class, and access many more helpful tools!

Download the iClass Pro app today and use the following steps to access your family account:

- Enter the organisational code: **royallifesavingde**
- Select forgot password
- Use the email address that you have on file with us to create a new password
- Log in
