

## **2025-26 Swimming Australia Pho3nix Junior Excellence Program:**

We would like to congratulate all of our swimmers that were recognised as part of the Swimming Australia Pho3nix JX Program!

Swimming Australia's Pho3nix Junior Excellence (JX) program recognises the performances of swimmers aged 9 – 13 to encourage and inspire the next generation of competitive swimmers.

The 2025-26 Pho3nix JX program recognises performances from 1 May 2025 to 30 April 2026. Pho3nix JX automatically recognises swimmers aged 9-13 years with gold, silver, bronze or blue standard, based on their best performance/s correlating to the times set by Swimming Australia.

To qualify for the program, swimmers need to be a member of an Australian swimming club and achieve a qualifying time at an approved meet in an individual event.
